ARC\Page\VP71411ga

WHEREAS, information has been received by the Idaho State Board of Architectural Examiners (the "Board") that constitutes sufficient grounds for the initiation of an administrative action against Russell C. Page ("Respondent"); and

WHEREAS, the parties mutually agree to settle the matter in an expeditious manner in lieu of administrative hearings before the Board; now, therefore,

IT IS HEREBY STIPULATED AND AGREED between the undersigned parties that this matter shall be settled and resolved upon the following terms:

A. Stipulated Facts and Law

A.1. The Board regulates the practice of architecture in the State of Idaho in accordance with title 54, chapter 3, Idaho Code.

A.2. The Board has issued License No. AR-984311 to Respondent. Respondent's license is subject to the provisions of title 54, chapter 3, Idaho Code and the Board's rules at IDAPA 24.01.01, *et seq.*

A.3. Idaho Code § 54-310 prohibits the practice of architecture in the State of Idaho by any person without first obtaining an architect's license. The "practice of architecture" is defined at Idaho Code § 54-309(1)(c) to include:

[R]endering or offering those services hereinafter described, in connection with the design, construction, enlargement, or alteration of a building or a group of buildings. The services covered within this definition include architectural planning, advice and consultation; providing preliminary

studies; architectural designs, drawings and specification; technical submissions; and, administration of construction contracts.

A.4. In the fall/winter of 2003 Respondent, who was at that time a licensed architect in the State of Washington but was not licensed in the State of Idaho, prepared floor plans and specifications for use on a project in Idaho. A licensed Idaho architect, Robert E. Johnson, subsequently affixed his signature to and impressed his seal upon the floor plans and specifications prepared by Respondent. Mr. Johnson agreed to discipline for his role in this matter for failing to exercise responsible control over those floor plans and specifications to which he had affixed his seal. *See* Case No. ARC-2005-4.

A.5. Respondent's preparation of floor plans and specifications for use on a project in Idaho constitutes the "practice of architecture."

A.6. Respondent obtained his Idaho architect license on or about December 5, 2003.

A.7. The allegations of Paragraphs A.4 through A.6, if proven, would violate the laws and rules governing the practice of architecture, specifically Idaho Code §§ 54-310 and 54-305(1)(i). Violations of these laws and rules constitute grounds for disciplinary action against Respondent's license to practice architecture in the State of Idaho.

B. Waiver of Procedural Rights

I, Russell C. Page, by affixing my signature hereto, acknowledge that:

B.1. I have read, understand and admit the allegations pending before the Board, as stated in Section A, Paragraphs A.4 through A.6. I further understand that these allegations constitute cause for disciplinary action upon my license to practice architecture in the State of Idaho.

B.2. I understand that I have the right to a full and complete hearing; the right to confront and cross-examine witnesses; the right to present evidence or to call witnesses, or to testify myself; the right to reconsideration of the Board's orders; the right to judicial review of the Board's orders; and all rights accorded by the Administrative Procedure Act of the State of Idaho and the laws and rules governing the practice of architecture in the

State of Idaho. I hereby freely and voluntarily waive these rights in order to enter into this Stipulation as a resolution of the pending allegations.

B.3. I understand that in signing this Stipulation I am enabling the Board to impose disciplinary action upon my license without further process.

C. Stipulated Discipline

C.1. Respondent shall pay to the Board an administrative fine in the amount of Five Hundred and No/100 Dollars (\$500.00) within thirty (30) days of the entry of the Board's Order.

C.3. Respondent shall pay investigative costs and attorney fees in the amount of Five Hundred and No/100 Dollars (\$500.00) within thirty (30) days of the entry of the Board's Order.

C.4. All incidental costs associated with compliance with the terms of this Stipulation are the sole responsibility of Respondent.

C.5. The violation of any of the terms of this Stipulation by Respondent may warrant further Board action. The Board therefore retains jurisdiction over this proceeding until all matters are finally resolved as set forth in this Stipulation.

D. Presentation of Stipulation to Board

D.1. The Board's prosecutor shall present this Stipulation to the Board with a recommendation for approval.

D.2. The Board may accept, modify with Respondent's approval, or reject this Stipulation. If the Board rejects the Stipulation, an administrative Complaint may be filed with the Board. Respondent waives any right Respondent may have to challenge the Board's impartiality to hear the allegations in the administrative Complaint based on the fact that the Board has considered and rejected this Stipulation. Respondent does not waive any other rights regarding challenges to Board members.

D.3. If the Board rejects this Stipulation then, except for Respondent's waiver set forth in Paragraph D.2., this Stipulation shall be regarded as null and void, and

admissions in this Stipulation and negotiations preceding the signing of this Stipulation will not be admissible at any subsequent disciplinary hearing.

D.4. Except for Paragraph D.2. which becomes effective when Respondent signs this Stipulation, this Stipulation shall not become effective until it has been approved by a majority of the Board and a Board member signs the attached Order.

E. Violation of Stipulation and Consent Order

E.1. If Respondent violates this Stipulation and Consent Order, the violation shall be considered grounds for additional discipline and the Board may impose additional discipline pursuant to the following procedure:

a. The Chief of the Bureau of Occupational Licenses shall schedule a hearing before the Board to assess whether Respondent has violated this Stipulation and Consent Order. The Chief shall also serve notice of the hearing and charges to Respondent and to Respondent's attorney, if any. Within twenty-one (21) days after the notice of the hearing and charges is served, Respondent may submit a response to the allegations. If Respondent does not submit a timely response to the Board, the alleged violations will be deemed admitted.

b. At the hearing, the Board and Respondent may submit evidence and present oral argument based upon the record in support of their positions. Unless otherwise ordered by the Board, the evidentiary record before the Board shall be limited to evidence relevant to whether Respondent has violated this Stipulation and Consent Order. At the hearing the facts and substantive matters related to the violations described in Section A shall not be at issue.

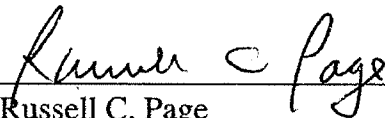

c. At the hearing, the Board may impose additional discipline, which may include the suspension or revocation of Respondent's license, the imposition of fines, the recovery of costs and attorney fees incurred by the Board and/or other conditions or limitations upon Respondent's practice.

E.2. This Stipulation and Consent Order is the resolution of a contested case and is a public record.

E.3. This Stipulation contains the entire agreement between the parties, and Respondent is not relying on any other agreement or representation of any kind, verbal or otherwise.

I have read the above Stipulation fully and have had the opportunity to discuss it with legal counsel. I understand that by its terms I am waiving certain rights accorded me under Idaho law. I understand that the Board may either approve this Stipulation as proposed, approve it subject to specified changes, or reject it. I understand that, if approved as proposed, the Board will issue an Order on this Stipulation according to the aforementioned terms, and I hereby agree to the above Stipulation for settlement. I understand that if the Board approves this Stipulation subject to changes, and the changes are acceptable to me, the Stipulation will take effect and an order modifying the terms of the Stipulation will be issued. If the changes are unacceptable to me or the Board rejects this Stipulation, it will be of no effect.

DATED this 27 day of JUNE, 2007.

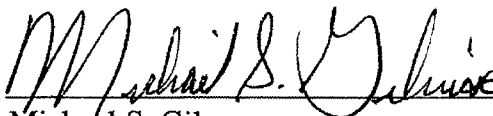

Russell C. Page
Respondent

I recommend that the Board enter an Order based upon this Stipulation.
